& Events**

The Insight Exchange is a new information platform that NYSRA and RRTI will each utilize to offer varying types of assistance, information and expertise to provider organizations as they support people with disabilities. This will take the form of cutting-edge curricula, facilitated conversations, and development of valuable connections that are educated in the policy issues facing the field, literate in practices throughout the field, and informed by political realities. **Visit www.nyrehab.org for more info!**

Join the Councils and Work Teams to Make Your Voice Heard!

COUNCILS:

To drive development of our public policy agenda, NYSRA encourages members to join any of our three Councils in the following areas:

- **Employment**
- **Managed Care and**
- **Data Outcomes & Metrics**

NYSRA Council meetings take place bi-monthly. Each Council meeting is an opportunity for members to review programmatic, regulatory and budgetary issues that define the quality and financing of service delivery for people with disabilities. If a topic needs additional action including comments to the State Agencies or further action in the Legislature, a Work Team is developed from Council participants.

WORK TEAMS:

Work Teams are convened when a topic from a Council meeting needs further discussion or action. Invitations to join a topic specific work team are sent to Council participants.
